Orson Scott Card's *The Last Shadow* is the long-awaited conclusion to both the original Ender series and the Ender's Shadow series, as the children of Ender and Bean solve the great problem of the Ender Universe—the deadly virus they call the descolada, which is incurable and will kill all of humanity if it is allowed to escape from Lusitania. One planet.

La recherche thématique des livres repose sur la Classification Décimale Universelle.. Cette classification repose sur quelques principes de base : tout classer : il n'y a aucune rubrique « divers »; classer en partant du contenu des documents à traiter : c'est donc une classification idéologique, au vrai sens du terme; classer en allant du général au particulier.

I'd also like to receive emails by BMC about the latest open access content from journals or subjects I've specified; and other updates from BMC and Springer Nature Group such as events, webinars, and community news.
