patented and manufactured solely by Stabilizer Solutions, Inc. One
ton of Stabilized aggregate typically covers 65 sqft. at a 3” depth.
Coverage will vary depending on aggregate. Stabilizer is a 100%
natural powder available in 40lb bags or 2000lb sacks. Crushed

Ebooks Powder Solutions Mn

Aggregate

A powder for making an immerse tin solution for plating a smooth even surface of tin on copper circuits at room temperature. A tin plated circuit protects the circuit from oxidisation and greatly improves solderability. Mixing Although used at room temperature, the powder must be dissolved with hot (50°C-60°C) distilled water.
