Dwarf Fortress is a rare game: every time you start a new game, an entire world is created anew - everything from geology and weather, to the patterns of trade in wheat and wars between jealous kings. The fact that there is no script, no standard storyline that every player goes through, makes a traditional game walkthrough impossible.

For installation instructions, see Installation. This is a quickstart guide for dwarf fortress mode for those who have never played before and quickly want to jump in head-first. If you are looking to learn adventure mode instead, see the Adventure mode quick start guide. Also see Tutorials for more detailed tutorials that people have submitted.
