In his historical non-fiction book Race and Reunion: The Civil War in American Memory (2001), American historian and author David W. Blight argues that in the four decades following the Civil War, the dominant narrative that emerged of the war was not one of fighting to end the horrors of slavery and to ensure freedom for all Americans. Rather, in America's collective memory, the war took ...

Race & Reunion The Civil War in American Memory by David W Blight available in Trade Paperback on Powells.com, also read synopsis and reviews. In this history, Blight delves deeply into the shifting meanings of death and sacrifice,...

Indeed, Race and Reunion is surely one of the four or five most important works in American history written in the past decade...Blight explains one of the most troubling questions for the understanding of American history: why it became accepted wisdom from the 1870s to the 1960s, among American historians as well as white students from grade school through college, that states' rights, not ...

Race and Reunion is a history of how the unity of white America was purchased through the increasing segregation of black and white memory of the Civil War. Blight delves deeply into the shifting meanings of death and sacrifice, Reconstruction, the romanticized South of literature, soldiers' reminiscences of battle, the idea of the Lost Cause, and the ritual of Memorial Day.
