She has written for numerous publications, such as Atlantic Monthly, Rolling Stone, and the New York Times.

Description of the book "Rapt: Attention and the Focused Life": A revolutionary look at how what we pay attention to determines how we experience life Acclaimed behavioral science writer Winifred Gallagher's "Rapt" makes the radical argument that much of the quality of your life depends not on fame or fortune, beauty or brains, fate or coincidence, but on what you choose to pay attention to.

7/10/2019 · Winifred Gallagher wrote about the effects of attention in her 2009 book, Rapt: Attention and Focused Life. Her book was important in 2009, only two years after the iPhone entered our lives. It is ten times more valuable a decade later. The book's first revelation is the link between our attention ...

16/2/2016 · Paying attention to happy moments and finding the "good" leads to happiness. Paying attention to the terrible things on the other hand—well, not so much. Throughout *Rapt*, Gallagher details the science of attention and brings to light topics like top-down attention ("What do you want to focus on?") as opposed to bottom-up attention ("What's the obvious thing to home in on here?").
