### **Kant’s Account of Reason (Stanford Encyclopedia of Philosophy)**

*12/9/2008 · Now, however, Kant argues that pure practical reason has “primacy” even on the home turf of theoretical reason. That is, pure practical reason should guide some of our beliefs, as well as our actions. Kant defines primacy as “the prerogative of the interest of one insofar as the interests of others is subordinated to it” (5:119).*

### **Reason - Wikipedia**

*Reason is the capacity of consciously making sense of things, applying logic, and adapting or justifying practices, institutions, and beliefs based on new or existing information. [need quotation to verify] It is closely associated with such characteristically human activities as philosophy, science, language, mathematics, and art, and is normally considered to be a distinguishing ability ...*
