Article V of GATS, Regional Trade Agreements (RTAs) have been defined and stipulated in a highly general and ambiguous way. Taking the inaction of the multilateral trading system (MTS) towards RTAs as an encouragement, many WTO members have attached greater importance to trade within the region than that beyond. This has given rise

Regional Trade Agreements And The Multilateral Trading System prepared by the world trade organization discussion paper for the g20 this version: 21 september 2015 prepared in consultation with the world bank group and the oecd and including a specific section by the world bank on the potential implications for developing countries outside the g-20 of g-20 rtas

This volume includes a collection of studies that examine trade-related issues negotiated in regional trade agreements (ATRs) and how ATRs are linked to WTO rules. While previous work has focused on subsets of RTA, these studies were probably based on the largest dataset used to date and reported key issues negotiated in all ATRs notified [...]

This paper examines China's recent movement in negotiating and signing regional trade agreements (R.T.As) in the context of the regionalism versus multilateralism debate in international

Trading System That regional trade agreements have been present in the multilateral trading system since its early days, and that they have grown in coverage and scope recently is hardly news. But the number and range of these agreements is now quite extraordinary. Table 3.1 lists the regional trade agreements notified to General Agreement

multilateral arena does not imply that the world is not becoming more integrated. In fact, governments across the globe are as active as ever in negotiating new trade agreements. The difference is that the agreements are not multilateral but 'regional'. In 2009, for example, 25 new regional trade agreements (RTAs) were notified to the WTO.

Financial support from the Latin American Trade Network and the International Development Research Centre for participation in the WTO Public Forum 2007 is gratefully acknowledged. 2 To prevent confusion in terminology, the author has followed the terminology used in GATT/WTO texts, that is, regional trade agreements, to describe all trade agreements deviating from the most-favoured nation ...

2/4/2007 · trade. But now, they were formally embodied in a multilateral agreement, the General Agreement on Tariffs and Trade (GATT). Two factors reinforced the great importance given by U.S. policy makers at the time to the principle of non-discrimination. One was the conviction of

16/9/2020 · In tandem with its support of the WTO, Singapore advocates that trade efforts are undertaken in the regional context such as APEC (Asia Pacific Economic Cooperation), ASEM (Asia-Europe Meeting) and ASEAN (Association of Southeast Asian Nations), as well as bilateral Free Trade Agreements (FTAs) to accelerate the momentum of trade liberalization and strengthen the multilateral trading system.
