IEEE PAPER A Sample Research Proposal
with Comments

The abstract reduces the whole paper to a single paragraph. Many times, the abstract will be published by itself in an index to the article and often only the words in the abstract can be searched using library databases; hence, the abstract is a critical element of the research paper.

Engineering’ and is probably the most difficult one to be dealt with. This paper describes Social Engineering, common techniques used and its impact to the organization. It discusses various forms of Social Engineering, and how they exploit common human behavior. The document highlights ways and means to counter these attacks, and also

5, 10, 15, and 20 were digested in triplicate serum bottles at 37 °C for 30 days. Control serum bottles produced 255 ± 13 mL biogas, whereas 50-60 % inhibitions were obtained for the serum bottles operated with samples collected ...

The standard APA Research Paper Format would be the following: Use a clean white $8 \frac{1}{2} \times 11$ bond paper. This is a standard sized bond paper used in APA format. It is used because the size of the paper is capable of insertion of large amounts of paragraphs. It allows for the reduction of 1-inch from all sides to form a margin.
