Proprietary design allows for slip fit for use with Delta's changeable drill press spindles. Pricing: \$50.00 individual.

The Delta 17-900 has a 5/8 capacity chuck on it. The correct key is the 1313105. The 1313104 chuck key is for 1/2 inch capacity chucks. As for the type 1 versus the type 2. I pulled up the parts diagrams side by side and only saw a few different parts, mainly washers, screws etc. You should be safe ordering off of the type 1 diagram. Hope this ...

1408 powermonitor. As you type, the Related Search list displays possible matches. Select a match from the list or press Enter. To narrow your results, filter by product category. Search by catalog number. Type a full or partial product catalog number. You don't need to include hyphens (-) in the catalog number. Search by publication number
