chain of terrible revelations.

This study guide for Edith Wharton's *Roman Fever* offers summary and analysis on themes, symbols, and other literary devices found in the text. Explore Course Hero's library of literature materials, including documents and Q&A pairs.

“Roman Fever,” the particularly deadly strain of malaria from which Wharton’s story takes its name, may have played a role in the collapse of the Roman empire. Some historians speculate that a rash of deaths from malaria may have contributed to social instability in ancient Rome, leaving the city (and, by extension, the vast and powerful empire) vulnerable to attacks from foreign invaders.
