Appropriately, public policymakers and administrators in the criminal justice system are responding to the issue of crime in all its complexity. Every aspect of the infrastructure of our traditional criminal justice policy is undergo-ing fundamental rethinking. Our approaches to policing, adjudication, sentencing, imprisonment, and community

Activists can challenge the power imbalances in our society through organizing. Organizing is the

process of building power as a group and using this power to create positive change in people's lives. As an individual, it is difficult to accumulate the amount of influence needed to change the systems of power that govern people's lives.
