5/10/2012 · The EU Ramp Inspection Programme is a European Programme regarding the performance of ramp inspections on aircraft used by third country operators (SAFA) or used by operators under the regulatory oversight of another EU Member State (SACA). The Programme is regulated by Commission Regulation (EU) No 965/2012 and it provides for the inspection of aircraft suspected (based on e.g. ...

SAFA inspections are part of a European Union safety programme and shall be executed in a harmonised and standardised way in all EU Member States, in Iceland, Norway, and Switzerland, and in all States with which EASA signed a working arrangement on SAFA.
