The CET exam consists of 110 multiple choice questions, and the taker will have a little less than two hours to complete it. This exam costs \$110 to take. In order to keep the CET designation, one must complete 10 continuous educational credits per year and pay an annual fee of a little under \$80.  
EKG Technician Job Outlook

Transform learning into making a difference on a veterinary health care team. The two-year Veterinary Technician Ontario College Diploma program prepares you to enter the profession by offering an authentic learning experience working alongside highly credentialed professionals in our on-campus veterinary medical facility and in our partnering facilities in the local community.

The first group of courses make up the Ready To Work Program and includes all the basics of beginning a career in HVAC. Successfully completing this online HVAC Nate Certification program with a grade of 70% or more provides you with your OSHA 10 hour safety card (included); prepares and provides you with your first NATE Ready-to-Work (RTW) Certificate Exam (included).
