The four episodes are: (1) "The Common School (1770-1890)," which provides an overview of U.S. public schools; (2) "As American as Public School (1900-1950)," which investigates issues of assimilation, pluralism, racism, and ethnic tension within public education; (3) "Equality (1950-1980)," which looks at issues of public education and social movements for equality in public education; and (4 ...

As American as Public School, 1900-1950 In 1900, 6 percent of America's children graduated from high school; by 1945, 51 percent graduated and 40 percent went on to college. This program recalls how massive immigration, child labor laws, and the explosive growth of cities fueled school attendance and transformed public education.

spend in American schools is not a recent educational concern. Even as early as 1983, a national report, A Nation at Risk, urged educators to add more time to address some of the achievement gaps that, at the time, were increasingly widening in the American public school systems at the time.

4/4/2014 · Part II: As American As Public Schools (1900-1950) Significant people and events: 1. John Dewey - Dewey was a philosopher and known as the 'Father of Progressive Education', he also founded the University of Chicago laboratory school. He was famous for the idea of 'learning by doing', pushing students and people alike to learn through first hand experiments.

the education school, and teaching the words of its credo to new generations of educators. I write about this story both as a historian of American education and as a professor in an American education school. And I write about the subject to this audience because it addresses two of the major themes of the ISCHE25 confer-ence in Sao Paulo.
