law rules. In cases involving international organizations, the

A bill that had been going through the House of Commons was delayed for well over a year and returned to parliament as a pale shadow of its former self. The Courts and Tribunals (Judiciary and Functions of Staff) Act 2018 — as it became — allows more flexible deployment of judges, which is particularly useful in tribunals.

bilateral treaties represents a little over half of the global population of bilateral treaties.

Administrative tribunals have rules on how to present evidence. These are called rules of evidence. They also have rules of procedure. Rules of procedure are about what you do if you want to be heard by the tribunal. In general, the administrative tribunal sets its own rules of evidence and procedure.
