The Origin of the American Dream. The American Dream is rooted in the U.S. Declaration of Independence. That document, created by America's founding fathers, says two key things that are largely responsible for shaping what the classic American Dream is. The declaration says that "all men are created equal" and that each man/woman has the ...

The idea of American Dream cannot be bound in just a timeline of the past. With the discovery of America, the idea of the 'New World' began to take shape. In recent years, the economic crisis has dampened the idea of American Dream to some extent. It will require united efforts on the part of American people to bounce back and regain its position of a superpower.
