22/5/2013 · David Overton's Blog wrote Where to buy Small Business Server 2008, Installing, Migrating and Configuring book on Tue, May 5 2009 10:37 AM I've had a few people ask where they can buy my book so I thought I would lay out the options.

The book is split into sections that roughly cover the following topics: Installation and migration. Configuration of SBS 2008. User enablement. Ongoing server management. While you can dip in and out of the various chapters, if you are performing a clean install then you can skip the migration ...
