Instead of telling you what this Snap Sights Flash 35mm Waterproof Camera is, it might be easier to tell you what it isn't. It isn't digital, which is bad. It isn't affected by water at depths up to 100 feet, which is good. It isn't high-quality, which is bad. It isn't fragile, which is

good. The film advance is manual...

- Turn the camera off in places where camera use is prohibited. The electromagnetic waves emitted by the camera may interfere with the operation of electronic instruments and other devices. Exercise adequate caution when using the product in places where use of electronic devices is restricted, such as inside airplanes and medical facilities.
