Galoob Game Genie Code Books - Angelfire

Added Galoob's online Game Gear codes. They're not the original files, because I fixed some minor code errors, and added '-'s where there were spaces in the codes, so the codes would be easier to use in an emulator. October 17th 2005: Spell-checked the SNES Game Genie collection file. Updated SNES Galoob codes from the original Codebook:

GAME GENIE - Complete Code List - All 5 Systems : retrogaming

I love using Game Genie codes, but I could not find a list of codes the way I wanted to see it. The links to many of the old lists no longer worked. I did run across one website (good old Angelfire) that was still up and seemed to have a lot of work put into the source files provided for all 5 systems.

Kasuto.net: A Link to the Past

The Game Genie is what we used back in the day to cheat on our games. The codes shown here can also be used in most emulators, look for some sort of cheat option. The Pro Action Replay was another cheat device that had the advantage of being able to write to memory locations that the Game Genie couldn't.

Your best game genie code/codes - NES

I used to mess around with the game genie when i was younger and compiled a few weird codes. Share some of yours and when i get a chance ill add a few of mine. I even have one which gives you the minus touch.. basically anything you touch or kill gives you a 1-up.

Thank you enormously much for downloading this **Snes Game Genie Manual** books .Maybe you have knowledge that, people have see numerous period for their favorite books subsequently for free , but end in the works in harmful downloads.
