Developed by qualified dyslexia tutors, the
SNIP literacy programme was designed to

Reading Snip Literacy Programme Part 2.pdf

help pupils to read and spell high frequency words. It is basic, but it is free to download. This month, I am including links to this programme. The programme focuses

Reading Snip Literacy Programme Part 2.pdf

heavily on the principle of over learning to aid pupils learning.

The SNIP Programme puts the focus on

Reading Snip Literacy Programme Part 2.pdf

learning to spell words that are met very often. There are three levels in this programme and each list comes with a look, say, cover, write, check activity as well as

Reading Snip Literacy Programme Part 2.pdf

other reinforcement tasks to complete. The links to the worksheets for the three levels are included below.
