For context, I'm specifically looking for a CRT with S-Video, which I've never had before. This TV is available in my area but I'm unable to find this model on Wikipedia's List of Sony Trinitron Models, and the online scans of user manuals don't specify the inputs for this model either. Any help is much appreciated.

Thank you for downloading **Sony Trinitron Kv 27v42 Manual**. As you may know, people have search numerous times for their favorite books like this but end up in harmful downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they juggl with some harmful bugs inside their desktop computer.
