14/3/2011 · **South Pacific Anchorages** add a new dimension to parking the boat. Coral heads snag anchors, tangle and abrade anchor chain, and chew up nylon rode. This is not helpful to the common illusion of what South Pacific cruising is supposed to be like; nor is it good for living coral, in my view the most spectacular of all living things.

South Pacific, is exactly what its name suggests . It includes post-performance discussion topics and a wide range of activities, designed to engage students with a variety of different learning styles . The activities are divided into three categories according to their focus:
