28/7/2017 · READ MORE. Book Summary: This book examines how sports journalists covered the historic coming out stories of National Basketball Association (NBA) veteran Jason Collins and football All-American Michael Sam in the context of sports' "toy department" reputation as a field whose standards are often criticized as lacking in rigor and depth compared to other forms of journalism.

24/2/2020 · The book also presents the story of others, too—the first journalists to turn action into news as raw, carnivalesque, violent pastimes were replaced by codified and commercialised games. Detailing the history of their trade, the book searches for the roots of sports journalism, pushing, for the first time, the newspaper reporter to the foreground in the shared history of the press and sport.
