16/9/2008 · Though you go in sort of knowing how it has to end, since it has to lead into Star Wars, there are plenty of significant events occurring throughout. It's enjoyable to watch it all unfold. That said, it's unfortunate that the game isn't a bit more even, because the constant flips from too easy to too hard really drag things down and prevent The Force Unleashed from being great.

3/11/2009 · Star Wars: The Force Unleashed arrived with a one year delay on a PC, but nevertheless does not introduce any major news, except for an additional level and two unedited seen on consoles. The graphics are suffering from a bad optimization and feels the weight of years, although on balance is sufficient and is gifted of a great physics engine for the simulation of the Force.
