World Food System.

Stuffed and Starved: The Hidden Battle for the World Food System is a non-fiction book written by Raj Patel. It was published in 2008 by Melville House Publishing. Stuffed and Starved looks at the inequities of the world food system from the beginning to the end of the conventional food chain, from producers to manufacturers and distributors to consumers.

"Stuffed and Starved remains a brilliant didactic account of the powerful interests (dis)organizing our food systems, and why, when food is an object of profit, there are no modern solutions to modern problems

Stuffed and Starved takes a long and wide
view of food production, to show how we
all suffer the consequences of a food system
cooked to a corporate recipe. This is also
the story of the fight against the unthinking
commerce that brings it to us.
