Traditions and Holidays Around the June Solstice. By Vigdis Hocken and Aparna Kher. On June 21, 2021, many time zones in the Northern Hemisphere welcomed the first day of the summer, as the Sun reaches its northernmost position in the sky.

Introduction. The Learning Circle has been produced to help meet Canadian educators' growing need for elementary-level learning exercises on First Nations. It is the second in a series of four classroom guides on First Nations in Canada. Because First Nations are culturally diverse, the information in this activity book does not necessarily apply to all groups.

7/8/2017 · Inside: Brilliant Circle Time Strategies When Kids Can't Sit Still. Wonder why 2 and 3 year olds can't sit very long at circle time? Then read on, my dear teacher friends! You planned your circle time to the minute. First you will read a book. Then talk about some activities you'll be doing during class.

CIRCLE is a non-partisan, independent research organization focused on youth civic engagement in the United States.
