Tales of Space and Time is a fantasy and science fiction collection of three short stories and two novellas written by the English author H. G. Wells between 1897 and 1898. It was first published by Doubleday & McClure Co. in 1899.

A natural pause appears to have come in the career of Mr. H.G. Wells. After so many years of travelling up and down through time and space, familiarizing himself with all the various parts of the solar system and presenting himself imaginatively at all the various geological epochs, from the Stone Age to the end of the world, he has for good and all domesticated himself in his own planet and ...
