The AV product itself turns to be another solid text that cannot be improvised for individual classrooms. This is an experiment of using the fluid text that can be designed or personalized to the need of individual classrooms and can be used as a medium (like any other – board, chalk, chart etc.) for the teacher to construct knowledge (critical pedagogy).

Academia.edu is a platform for academics to share research papers.

When you say Guru, it means a teacher in all ways

An important indicator of teacher agency is the extent to which the teacher decides the curriculum for her teaching. In the ‘text book’ culture, predominant in Indian education, the teacher is expected to transact the text book and ensure that its contents are able to be reproduced by the students, without referring to it, in the examination, with or without understanding.
