8/5/1992 · The Archaic Revival. Release on 1992-05-08 | by Terence McKenna. In these essays, interviews, and narrative adventures, McKenna takes us on a mesmerizing journey deep into the Amazon as well as into the hidden recesses of the human psyche and the outer limits of our culture, giving us startling visions ... Author: Terence McKenna.

Inspired by Irish American philosopher and pharmacologist Terence McKenna's idea that 'culture is not your friend' and by the notorious murder trial in 2015, the essay examines how civilization, education and culture can be a shield behind which the most violent and damaging individuals in society may hide.

A compilation of essays and interviews spanning 1983-1990, The Archaic Revival is a thoroughly satisfying overview of McKenna's signature ideas, ranging from the evolutionary importance of shamanism, time wave theory, "novelty," linguistics, deep ecology, the end of history, ufos as holographic projections from the future, and the symbiotic relationship between hallucinogenic plants and man.
