An investor is any party that makes an Investment. However, the term has taken on a specific meaning in finance to describe the particular types of people and companies that regularly purchase equity or debt securities for financial gain in exchange for funding an expanding company. Less frequently the term is applied to parties who purchase real estate, currency, commodity derivatives ...

Borrowers can ask their lenders to make changes to the terms of their loans. Borrowers can either opt for a short-term relief by having their mortgage payment suspended for a short period of time (known as forbearance in the U.S.), or they can apply for reduced payments over the life of the loan's term (known as loan modification in the U.S.).
