California Trail - Wikipedia

The California Trail was an emigrant trail of about 1,600 mi (2,600 km) across the western half of the North American continent from Missouri River towns to what is now the state of California. After it was established, the first half of the California Trail followed the same corridor of networked river valley trails as the Oregon Trail and the Mormon Trail, namely the valleys of the Platte ...

Gandy dancer - Wikipedia

Gandy dancer is a slang term used for early railroad workers in the United States, more formally referred to as "section hands", who laid and maintained railroad tracks in the years before the work was done by machines. The British equivalents of the term gandy dancer are "navvy" (from "navigator"), originally builders of canals or "inland navigations", for builders of railway lines, and ...
