processes at different scales and levels. Such actors and actresses, stage properties, and stage are not separately present they act together in harmony, dancing to a tune with a music performed by an orchestra, an organism.

Dance, I contend, holds immense promise as an object for study as well as a subject of study – that is, a source of insight in itself, shedding light on life, movement, and meaning. In investigating dance thusly, I hope to show the importance of perspective.

Dance can broaden your child's horizons by introducing them to other people and help them better relate later in life to those they may face and also in their future careers. • **Esthetic Benefits-** Dance awakens consciousness of beauty, lending new meaning to movement and form. • **Emotional Benefits-** Dance helps develop self-confidence and self-

Now **The Dance Of Life** reveals the ways in which individuals in culture are tied together by invisible threads of rhythm and yet isolated from each other by hidden walls of time. Hall shows how time is an organizer of activities, a synthesizer and integrator, and a special language that reveals how we really feel about each other.
