31/3/2017 · March 31, 2017 The Death of Expertise: The Campaign Against Established Knowledge and Why It Matters

9/5/2017 · A timely but excessively cranky book. Nichols' "The Death of Expertise" rails against the public's rejection of expert authority. Nichols' goal was to present the strongest possible case for his point of view - namely that democratic "equality", sloppy news-ertainment, coddled university students, and universal internet access have created a society that increasingly relies on feelings rather ...
