TOWARD THE END of "The Dud Avocado," Elaine Dundy's semi-autobiographical 1958 novel about a young American's misadventures in Paris, Sally Jay ...

Dud Avocado is a slice of life novel when those with money could have their grand adventures of living life moment by moment with no concern for their futures. I never had the sense that they learned from their misadventures. There was no real coming of age. I found none of the characters to be like able or even sympathetic.
