“I won Xpressbet's 2017 Pegasus Big Bet Sweepstakes and had the time of my life at the world's richest horse race. I still can't believe I won! Whether I'm betting online or at the track, Xpressbet always treats me like a VIP. There's nowhere I'd rather play the races. ” - Rich H.

Betting on the Favorite, an 1870 engraving. Betting on horse racing or horse betting commonly occurs at many horse races. It started in the UK in the early 1600s during the reign of King James I. Gamblers can stake money on the final placement of the horses taking part in a race. Gambling on horses is, however, prohibited at some racetracks.

In North American racing, the three most common ways to bet money are to win, to place, and to show. A bet to win, sometimes called a "straight" bet, means staking money on the horse, and if it comes in first place, the bet is a winner. In a bet to place, you are betting on your horse to finish either first or second. A bet to show wins if the horse finishes first, second or third.

Skip line 12 and complete line 13. Add line 4 to line 3 if you are reporting additional income tax withheld for an earlier quarter. Subtract line 4 from line 3 if you are reducing the amount of income tax withheld. If there is no entry on line 4, enter amount from line 3.
