Locate the information you need using our collection of databases. Most databases can be accessed remotely via HBS intranet login or HarvardKey. However, certain resources must be used on specific workstations within the library.

a great deal of private sector health law practice as well; while our priority in this guide is to sketch out public interest health law practice, we do often touch on private sector practice, partly because there is sometimes considerable overlap in the issues raised, and partly because we know that careers can often encompass both

Rate-Amplifying Demand and the Excess Sensitivity of Long-Term Rates. By: Samuel G. Hanson, David O. Lucca and Jonathan H. Wright. Long-term nominal interest rates are surprisingly sensitive to high-frequency (daily or monthly) movements in short-term rates. Since 2000, this high-frequency sensitivity has grown even stronger in U.S. data.

Some distinguished public-sector leaders subsequently develop second careers in the private or
