## Read The Other Side Of Silence Sign Language And The Deaf Community In America.pdf

The other side of silence is a well written and researched book. It seems that now-a-days books about the Deaf and the Deaf community fall into either the oralist ...

More specifically focused than Beryl Benderly's *Dancing Without Music* (1980), this is another forceful, ardent portrayal of the deaf—with an emphasis on the sign languages issue. Neisser does not concern herself with the oral/manual dispute: she knows that oralism, for a variety of reasons, has no standing in the deaf community—perhaps ten percent have the capacity for speech.

29/5/2016 · Sign language uses manual movements, facial expressions, and other means of communication that don't involve speech. This, and its usage by the Deaf and hard-of-hearing, is known by most people. Much less heard of is oralism, a method of communication that, simply put, uses things like lipreading and mouth mimicking to get as close to real speech as possible.

5/7/2019 · Learning sign language will naturally connect you to d/Deaf people and will give you a better understanding of the challenges that we face. And that naturally means you will learn more about deaf awareness and perhaps be interested in raising deaf awareness too. 16. It can be used all the time.
