16/4/2002 · My second Larry Crabb book, I believe. My wife & I read this together aloud, usually in the evenings after dinner. This was a very insightful book on living The New Way, as opposed to The Old Way. The New Way focused on deepening our relationship with God, and not focusing on doing X,Y,Z to get blessings 1,2,3. It's grace-focused, not law-focused.
