4/5/2010 · Even more disturbing, Robin argues, is the “new Monsanto,” which has wielded its global muscle and patent prowess to try and take control over the food supply. Given Monsanto’s ugly past ...

5/2/2020 · Follow journalist and documentary filmmaker Marie-Monique Robin's three-year journey across four continents to investigate the practices of a multinational agribusiness corporation, Monsanto. Monsanto currently controls the majority of the yield of the world's genetically modified corn and soy, ingredients found in more than 95 percent of ...

The World According to Monsanto Pollution, Corruption, and the Control of the World's Food Supply by Marie-Monique Robin ... Once everything is contaminated, the company will be able to take control of the most widely grown grain in the world and collect royalties as in Argentina and Brazil.

Like Marie Monique Robin, I do not want to live in the world according to Monsanto. A world where ethics are subjugated to the pursuit of profit at any cost. Ever since reading *Silent Spring* by Rachel Carson I have steered clear of pesticides, herbicides and GM foods for health and environmental reasons.
