Confirmation Bias - Definition & Examples | The Decision Lab

Confirmation bias was known to the ancient Greeks and was written about by the classical historian Thucydides, who observed that people “entrust to careless hope” what they wish to be true. By contrast, they “use [...] reason to thrust aside” what they do not. The phenomenon was first described as confirmation bias by Peter Wason in 1960.

Destined for War: Can America and China Escape Thucydides ...

The reason is Thucydides’s Trap, a deadly pattern of structural stress that results when a rising power challenges a ruling one. This phenomenon is as old as history itself. About the Peloponnesian War that devastated ancient Greece, the historian Thucydides explained: “It was the rise of Athens and the fear that this instilled in Sparta that made war inevitable.”

Political Realism in International Relations (Stanford ...

26/7/2010 · 1.1 Thucydides and the Importance of Power. Like other classical political theorists, Thucydides (c. 460–c. 400 B.C.E.) saw politics as involving moral questions. Most importantly, he asks whether relations among states to which power is crucial can also be guided by the norms of justice.

Socialism - Wikipedia

Socialism is a political, social, and economic philosophy encompassing a range of economic and social systems characterised by social ownership of the means of production. It includes the political theories and movements associated with such systems. Social ownership can be public, collective, cooperative, or of equity. While no single definition encapsulates the many types of socialism ...

Peloponnesian War - Wikipedia

As the preeminent Athenian historian, Thucydides, wrote in his influential History of the Peloponnesian War, "The growth of the power of Athens, and the alarm which this inspired in Lacedaemon, made war inevitable." Indeed, the nearly fifty years of Greek history that preceded the outbreak of the Peloponnesian War had been marked by the development of Athens as a major power in the ...

China's Grand Strategy under Xi Jinping: Reassurance ...

1/7/2020 · China's grand strategy under Xi Jinping is clearly distinctive. It does not, however, fundamentally break with the grand strategy that China has embraced since the early 1990s—one that aims to realize what is now labeled “the dream of national rejuvenation.” Leaders in Beijing have implemented three different approaches to this strategy.

Peloponnesian War: Facts, Dates, Causes & Who Won ...

*12/2/2021 · The pre-eminent account of the war was written by Thucydides, who, despite serving as a general in the Athenian army, is remembered as a forefather of impartial historical study. He began his masterly work, *The History of the Peloponnesian War*, in the first year of the conflict, 431 BC, “believing that it would be a great war and more worthy of relation than any that had preceded it”.*

The Longer Telegram: Toward a new American China strategy ...

A clear-cut national strategy for realizing its national objectives, and a political system capable of marshaling resources to give that strategy effect without significant internal dissent, stand in contrast to the United States, Western nations in general, and India, which China views as structurally immobilized by cumbersome democratic, federal, and other deliberative processes

Freedom of Navigation in the South China Sea: A Practical ...

By virtue of geography, the South China Sea is home to some of the world’s most important shipping lanes. Ships carrying exports and imports between markets in Asia and in Europe, Africa, and the Americas must transit through the South China Sea; it is estimated that \$5.3 trillion in trade passes through the region annually. Circumnavigating the region would involve both considerable expense ...
