He'd come into class, grab a worksheet, sit down, turn the worksheet over, and start drawing. I'd come over and be like, "R____, you have to do your work. You can't just sit here drawing pictures of women giving birth to swans all day," and he'd look at me and say with complete sincerity, "Oh, sorry."

URCHIN BARRENS! Aka the Trouble with Tribbles (=sea ...

16/7/2013 · *What causes urchin barrens? Um. Its complicated but the common thread seems to be that there is an association between barrens and the absence of sea urchin predators. In many of the papers I've read about Northern Hemisphere species, the loss of a major sea urchin predator seems to be one of the immediate attributed causes of the runaway population growth, but as we've seen with other ...*
