23/7/2013 · Review by Oren Smilansky. At the center of Robert Boswell's seventh novel, *Tumbledown*, is 33-year-old therapist James Candler, who seems to be doing a mediocre job at pursuing one version of the American dream. When we meet him, he's acting the way we'd expect from a youngish Southern Californian who's making decent money: racking up debts and making investments.

In *Tumbledown*, Robert Boswell presents a large, unforgettable cast of characters who are all failing and succeeding in various degrees to make sense of our often-irrational world. In a moving narrative twist, he boldly reckons with the extent to which tragedy can be undone, the impossible accommodated.
