Recommended reading for the Primary FRCA-updated! Buying books for anaesthetics is a difficult task- it seems no single book offers it all! We would also say that if you are just starting anaesthetics, the practical side of things are going to be the most challenging initially and not the theory, but it is good to read things up as you go along.

by Mark Shaya Indispensable neurosurgical board examination book mirrors ABNS Q&A format. Comprehensive, but small enough to take on rounds, the updated second edition of this popular neurosurgical board review provides a robust study companion for the American Board of Neurological Surgery (ABNS) primary examination.
