and politics. Governments decide who gets what, when, how (See Harold D. Lasswell, *Politics: Who Gets What, When, How*, [New York: McGraw-Hill, 1936]); they make policies and pass laws that are binding on all a society's members; they decide about taxation and spending, benefits and costs, even life and death.

Generally; Guidance: Is the process of helping an individual to gain self-understanding, self-direction, and to adjust maximally to the environment (Biswalo, 1996). This help is designed to assist people in deciding where they want to go, what they want to do, how to get to their destination, and how to solve problems arising in their life.
