(From an article on Stiffelio on "Verdi's  
Middle Period: Source Studies, Analysis,  
and Performance Practice", University of  
Chicago Press, 1997.) Operas by Giuseppe  
Verdi Early Operas

Focusing on the operas he composed during  
this period, this volume explores Verdi's  
work from three interlinked perspectives:  
studies of the original source material, cross-  
disciplinary analyses of musical and textual  
issues, and the relationship of performance

This study confirms that external and internal coaches have a role in executive leadership development that improves organizations' productivity and profitability. This study also confirmed that the more frequently respondents used a formal process to measure results, the more likely they were to be successful in their coaching programs.

historical and sociological studies, reference materials, and anthologies reviewed by Bash and Kuzmich perhaps contribute more to the field of musicology than to music education. Further, the studies dealing with pedagogy, curriculum, experimental

9/10/2009 · Confounding. A confounder is a risk factor for the disease under study which is associated with the exposure of interest, but is not part of the causal pathway between exposure and the end point (figure). If this association is not considered in the study group during the evaluation—perhaps because the confounder was not recorded—, this leads to a biased estimate of the investigated risk ...
