This is the most complete one-volume edition of Poe's essays and reviews ever published. Here are all his major writings on the theory of poetry, the art of fiction, and the duties of a critic: "The Rationale of Verse," "The Philosophy of Composition," "The Poetic Principle," and "About Critics and Criticism." Articulating Poe's passion for technical proficiency and his theory of poetic method ...

essays ...

Although these genres have been criticized by some composition scholars, the Purdue OWL recognizes the wide spread use of these approaches and students' need to understand and produce them. This resource begins with a general description of essay writing and moves to a discussion of common essay genres students may encounter across the curriculum.
