Introduction. William Dyrness is a prolific writer who has published works in several fields including theology and culture, apologetics, theology and art, and global missions. He has taught in the United States, Africa, and Asia.

By engaging with theology, culture, and the visual art, this collection offers a fresh lens through which to see the interaction of religion and art. As such, it will be of great use to those working in Religion and the Arts, Visual Art, Material Religion, Theology, Aesthetics, and Cultural Studies.
