### W-4d When to Start a New Paragraph

Paragraphs may be long or short, and there are no strict rules about how many sentences are necessary for a well-developed paragraph. But while a brief, one- or two-sentence paragraph can be used to set off an idea you want to emphasize, too many short paragraphs can make your writing choppy.

Didacticism is a philosophy that emphasizes instructional and informative qualities in literature, art, and design. In art, design, architecture, and landscape, didacticism is

A grammatically sound, well-punctuated sentence might be utterly unclear, while a sentence might be written clearly but without following basic grammatical principles. As writing teachers will tell you, the best stylists don't compose by following static rules of grammar; they are readers, thinkers, revisers, tinkerers—they see their writing as a craft, retreating to rules only to

26/7/2010 · Cover letters only matter in the “negative” sense, i.e. if you write something stupid or have typos, you could lose an offer or interview opportunity. Your cover letter should be as short as possible, so 8 paragraphs is too long, especially if you had to reduce the font size to 10, which is too small.

Readability is the ease with which a reader can understand a written text. In natural language, the readability of text depends on its content (the complexity of its vocabulary and syntax) and its presentation (such as typographic aspects that affect legibility, like font size, line height, character spacing, and line length). Researchers have used various factors to measure readability, such
