26/11/2020 · How to Make Moonshine: the First Step. All you really need to make moonshine is sugar, yeast and water. The yeast will essentially 'eat' the sugar and the result can be distilled into moonshine. Most moonshine recipes use grains that are turned into sugar. This process is called making a mash.

And hurrying feet a path had made up to its swinging door. Its architecture was a type of simple classic art, But in the tragedy of life it played a leading part. And oft the passing traveller drove slow and heaved a sigh, To see the modest hired girl slip out with glances shy. ...
