Marco Polo was an amazing scholar who was open-minded about cultures that were completely different from his own, from uncivilized mountain tribesman to the most exalted royalty of China.

How Marco Polo Went to China Marco Polo was born in Venice in the year 1254. His father, Nicolo, and his uncle, Maffeo, were merchants who had seats in the great council and were enrolled with the noblemen of Venice. Marco also had another uncle who lived in Constantinople and Crimea and was engaged in commerce. The first great eastern journey of the Polos began in 1260.

Marco Polo In 1271, a young Venetian merchant named Marco Polo set out for Asia with his father and his uncle. Polo's journey would last over two decades, including 17 years in China in the employ of the Mongol ruler Kublai Khan. Later in life, Polo told the story of his travels to a writer, and they created the book Travels of Marco Polo.
